

STEP4SCHOOLS DAY

4 SEPTEMBER 2025

WELCOME TO STEP4SCHOOLS DAY!

A powerful way to foster inclusivity and diversity at your school, and get kids moving!

DATE:

Thursday 4 September 2025

OBJECTIVE:

To encourage students to celebrate their differences, build empathy and break down any stigma around what it means to have a visible or non-visible disability. The day provides a wonderful opportunity for kids to get active in their community with family and friends, whilst supporting people with cerebral palsy to live their best lives.
